The Diamond Is April's Birth Stone

The birthstone for people born in April is the diamond, one of the hardest substances on earth, and one that formed deep in the earth, even if we don't know how long ago that happened. The word diamond comes from the early Greek word adamas, meaning untamable and related to our word adamant.

Poet William Wordsworth Was Born in April

The English poet William Wordsworth was born April 7, 1770, and one of his best-known poems is perfect for April in the northern hemisphere: "I wandered lonely as a cloud," which he first published in 1807.

Noah Webster Copyrighted the First Edition of His Dictionary, April

The famous language expert Noah Webster was a bit of an April fool: one of his dearest wishes was to reform English spelling for Americans, to make it simpler and more obvious.

Leonardo da Vinci Was Born in April

What can you possibly say about Leonardo in 100 words? He was a painter, a scientist who painted many pieces of religious art; he was fascinated by the flight of birds and the mechanisms of guns. He was a Renaissance genius for his and any other time, capable of turning his hand to anything. And he was born in April.

William Shakespeare Was Born and Died in April

The Elizabethan playwright William Shakespeare was another April genius, born on April 23, 1564, and died on or about his April birthday at the age of 52 in England in 1616.

Adolf Hitler Was Born in April

Just in case you thought that only marvelously talented people and gifted people were born in April, Adolf Hitler, surely one of the most depraved leaders ever, was born in Austria on April 20th, 1889.
