An excerpt from  Our Daily Bread.

“The Ups and Downs of Life

I have told you these things, so that in me you may have peace.

John 16:33

A Facebook memory popped up, showing me a picture of my triumphant five-year-old when she'd won a fun and competitive game of Chutes and Ladders. I'd tagged my brother and sister in the post because we'd often played this board game when we were kids. Chutes and Ladders is based on a game that's been played for centuries, helping people learn to count and providing the thrill of being able to climb a ladder and win the game by getting to 100 the fastest. But watch out! If you land on spot 98, you slide far down the chute, delaying—or even prohibiting—victory.

Isn't that just like life? Jesus lovingly prepared us for the ups and downs of our days. He said we'd experience “trouble” (John 16:33), but He also shared a message of peace. We don't have to be shaken by the trials we face. Why? Christ has overcome the world! Nothing is greater than His power, so we too can face whatever comes our way with “the mighty strength” He's made available to us (Ephesians 1:19).

*Just like in Chutes and Ladders, sometimes life presents a ladder allowing us to happily ascend, and other times we tumble down a slippery slide. But we don't have to play the game of life without hope. We have the power of Jesus to help us overcome it all. **By: Katara Patton***

Reflect and Pray

What challenges do you need help to overcome today? How can focusing on Jesus' power in overcoming life's trials and troubles encourage you?

Dear Jesus, thank You for the reminder that You've overcome the world! Please help me to rely on Your power to handle the ups and downs of life.
